

SUBMISSION FORM FOR CALLIGRAM

Please read our manifesto and submission guidelines in the Open Call document (or web page) before completing, along with the guidelines below. Please complete the form and email a copy, along with your submission, to calligramsubmissions@gmail.com

Written content: We are willing to consider all forms of written content, fiction, non-fiction, or poetry. This must not be time restricted (e.g. current affairs/topical), but journalistic think pieces are welcome. Written content must be in a readable serif font (e.g. Garamond or Times New Roman), ideally double spaced, up to 2000 words per piece.

Visual content: The magazine will be approximately A4 in size. You may submit **up to** 4 pages of content. This can mean 4 images **or** a selection of images that will look good arranged on 4 pages. If you are sending multiple images, they must be part of a series, i.e. they need to look good together! If you only have one standalone image this is fine. Sometimes less is more. We accept full colour or monochrome, CMYK @ 300 dpi.

Visual and written content: We are open to content that is a mixture of words and images, e.g. graphic fiction, comic strip, calligrams, and journalism that combines photography and writing.
